INDEX TO PAGES

Pages	No.	Date	Pages	No.	Date
1-64	1	January 1994	425-494	7	July 1994
65-128	2	February 1994	495-566	8	August 1994
129-196	3	March 1994	567-650	9	September 1994
197-288	4	April 1994	651-738	10	October 1994
289-360	5	May 1994	739-810	11	November 1994
361-424	6	June 1994	811-882	12	December 1994

SUBJECT INDEX

Academy of Medicine of New Jersey
report, 45, 555

Aortic valvuloplasty
alternative for aortic insufficiency [Scholz], 99

Atherectomy
percutaneous coronary rotational atherectomy [Cohen], 24

Birth Control
practical guide for prescribing birth control pills [Abrams], 393
prescribing oral contraceptives (Letters), 587

Book Reviews
Congdon T: Having Babies, 752
Dawson N, Vogelzang N: Prostate Cancer, 668
Donoghue P, Siegel M: Sick and Tired of Feeling Sick and Tired, 669
Hare R: Without Conscience. The Disturbing World of the Psychopaths Among Us, 211
Magner LN: A History of Medicine, 77
Mauck C, Cordero M, Gabelnick H, Spieler J, Rivera R: Barrier Contraceptives, 578
Pastorek J: Obstetric and Gynecologic Infectious Disease, 752
Pelletier K: Sound Mind, Sound Body. A New Model for Lifelong Health, 578
Reese R, Betts R: Handbook of Antibiotics, 300
Sheenan HE, Wedeen RP: Toxic Circles, 145
Sloane P, Slatt L, Curtis P: Essentials of Family Medicine, 300
Swartz JD, Harnsberger HR: Imaging of the Temporal Bone, 2nd Edition, 145

Canal of Nuck
hydrocele of the canal of Nuck [Schneider], 37

Cardiology
accuracy of SPECT thallium studies in a community hospital [Swayne], 339
aortic valvuloplasty [Scholz], 99
catheter ablation of the slow AV nodal pathway in AV nodal re-entry tachycardia [Khalighi], 103
diabetic cardiomyopathy: Experimental and clinical observations [Regan], 776
Doppler echocardiography in normal functioning valve prostheses [Cha], 597
percutaneous coronary rotational atherectomy [Cohen], 24

Chondrolipoma
benign chondrolipoma of the female breast [Peison], 401

Continuing Education
calendar, 50, 112, 184, 278, 348, 550, 636, 728, 800, 866

Defensive Medicine
attention: Internists (Letter), 146
Commissioner Fishman takes oath of office, 665
health care reform and MSNJ [Palace], 387
health system reform [Schauer], 671
lawyer's thumb [Weber], 541
license to practice medicine [Donahue], 375
managed care (Letter), 588
new entity for conducting group practice [Rich], 34
new medical plan (Letter), 824
PHOs: The first step in health care reform [Liotta], 40
professional liability [George], 11, 73, 141, 206, 297, 371, 435, 507, 575, 661, 749, 821
reform and the primary care physician, 376
Three Mile Island Health Alliance Company [Brown], 153
universal health care (Letter), 511
utility of a severity scoring system in patient triage [Evers], 611

Diabetes
caring for the diabetic: Assessing risk in the diabetic foot [Helfand], 256
clinical consequences of the DCCT [Ginsburg], 221
current thoughts on diabetes patient management in New Jersey [Gewirtz], 230
diabetes mellitus: A frequent factor in liability claims [Robins], 264
diabetes treatment [Krosnick], 219
diabetic diet: A model for Americans [Mandel], 246
eye care: Diabetic retinopathy [Leff], 251
implications of the DCCT for children and adolescents with IDDM [Rapaport], 227
lower extremity amputations in New Jersey [VanBuskirk], 260
physician education on five complications of diabetes mellitus [Barta], 269
standards in diabetes care in primary care medicine [Goldstein], 241
type II, noninsulin dependent diabetes, IGT, and H-IRS [Krosnick], 235

Diskectomy
laser-assisted laparoscopic lumbar diskectomy [Stein], 175

Environmental health
assessing human health effects from chemical contaminants in drinking water [Cohn], 719
cardiopulmonary effects of environmental tobacco smoke [Hudgins], 702
current concepts in chronobiology and medicine [Nahmias], 689
environment and cancer in New Jersey [Cohen], 698
environmental lung disease [Karetzky], 684
human health effects associated with hazardous waste sites [Johanson], 679
medical and environmental surveillance [Schaub], 715
New Jersey's environmental health [Karetzky], 677
safe concentrations for dermal allergens in the environment [Nethercott], 694
sharing the toxic burden in New Jersey [Wedeen], 707

Genetics
molecular genetics and human disease [Ozer], 783

Health care reform
education initiatives in the health reform era [Louria], 480
health care reform [Lippman], 447
health care reform and the right to health care [Olick], 472
health care reform: Federal and state initiatives [Dickson], 457
health care reform in New Jersey: A physician's guide [Weisfeld], 463
participatory democracy in health care: The role of the responsible citizen [Barber], 468
practice of medicine in an era of reform [Micale], 449
role of the Essential Health Services Commission in health care reform [Weiss], 478
what is the good of health care system reform? [d'Oronzio], 451

Indomethacin
reduced proliferation of cultured bladder cancer cells [Shimamura], 532

Infectious Disease
Fecal *clostridium difficile* carriage among medical housestaff [Cohen], 327

Laboratory
proficiency testing: Now it is a reality [Voldish], 536
twelve deadly sins committed by physician office laboratories [Voldish], 42

Laryngeal dyskinesis
asthmatic extrathoracic upper airway obstruction [Nahmias], 616

Lyme Endocarditis
diagnosing illness [Letters], 79

Lymphocytopenia
idiopathic CD4+ lymphocytopenia in New Jersey [Laraque], 604

Medical History
congratulations to New Jersey Medical School [Schwartz], 759
crossing the color barrier in New Jersey [Hutner], 527
founding and development of New Jersey Medical School [Leevy], 771
memoirs and musings of a medic [Sykes], 404, 545
New Jersey Medical School's 40th anniversary (Letter), 754
New Jersey research: Frontiers of hepatology [Leevy], 765
ninety years of New Jersey medicine [Hutner], 591
part I: Hospital postcards: The New Jersey view [Densky-Wolff], 85
part II: Hospital postcards: The New Jersey view [Densky-Wolff], 160
reflections of the charter class at New Jersey Medical School [Gorkun], 763
unrecognized medical history (Letter), 824

Medical Research
neurogenetic research [Gupta], 13
new medications for ocular allergy [Trayner], 607

Medical Society of New Jersey
Auxiliary, 386, 486, 631, 863
book reviews, 77, 145, 211, 300, 440, 578, 668, 752
committees and councils, 623
editor's desk [Slobodien], 15, 81, 149, 215, 307, 379, 443, 513, 581, 673, 755, 829
Golden Merit Award recipients, 409
in memoriam, 56, 118, 191, 283, 352, 420, 489, 559, 642, 732, 804, 869
inaugural address [Palace], 387
letters and viewpoints, 13, 79, 146, 213, 303, 375, 439, 511, 587, 671, 754, 824
liaison representatives of MSNJ, 792
logo, 367
MSNJ president addresses congressional delegation [Micale], 313
new members, 346, 414, 633
newsletter, 7, 71, 135, 203, 295, 367, 431, 501, 572, 657, 745, 817
nominating committee report, 188
presidential address [Micale], 390
professional liability, 11, 73, 141, 206, 297, 371, 435, 507, 575, 661, 749, 821
readership survey, June 1994
statement of ownership, 795
transactions, July 1994
trustees minutes, 45, 108, 180, 345, 412, 485, 553, 725, 796, 862
what MSNJ had done and will do [Micale], 317

Neoplasms
sclerosing basal cell carcinoma: Management with electron beam therapy [Spicer], 789
urinary retention in infants: Unusual presentation of pelvic tumors [Braunschweig], 517

Ophthalmology
new medications for ocular allergy [Trayner], 607

Orthopedics
solitary osteochondroma, from the pedicle of T1, causing spinal cord compression [Braunschweig], 91

Otolaryngology
Ménière's disease [Siriboonrit], 171

Practice Opportunities
placement file, 48, 182, 276, 348, 416, 488, 557, 634, 726, 798, 864

Preventive Medicine
an ounce of prevention is worth . . . [Lippman], 19
Health-Full-Life program [Louria], 20
Health-Full-Life program [Muller], 305
nicotine dependence (Letter), 146

Psychiatry
confronting anxiety and depression in primary care [Weiss], 157

psychological aspects of irritable bowel syndrome [Kohutis], 30
what about Xanax®? [Greenfield], 383

Pulmonary
asthmatic extrathoracic upper airway obstruction: Laryngeal dyskinesis [Nahmias], 616

Radiology/Pathology Reports
from UMDNJ-Robert Wood Johnson Medical School [Nosher], 397, 523

Radiotherapy
stereotactic radiotherapy and brachytherapy [Lehman], 333

SPECT thallium
accuracy of SPECT thallium studies in a community hospital [Swayne], 339

Spherocytosis
hereditary spherocytosis and hematologic malignancy [Conti], 95

Surgery
mean performance regression, a method of objective surgical peer review [Millili], 167
surgical treatment of solitary brain metastases (Letter), 213

Transplantation
scientific meeting of the Transplant Society of NJ [Ribot], 543

Ultraviolent radiation
protection from the sun: A survey of area beachgoers [Nguyen], 321
ugly as sun [Papa], 311

University of Medicine and Dentistry
notes [Bergen], 48, 110, 181, 274, 414, 487, 556, 632, 725, 797, 863

Violence
changing the paradigm in New Jersey [Cooper], 836
domestic violence primer for clinicians, parts 1 and 2 [Holtz], 848
ethical basis for concern about violence [Fennelly], 840
homicide and suicide in New Jersey [Schneider], 855
medical concern in New Jersey [Lippman], 833
public health issue in New Jersey [Nora], 843
what physicians can do about firearm violence and prevention [Eilers], 859
